RE: Resentence For Supervise Release Violation.

Dear Judge my name is Anthony Buchanan, and you violated me on Supervised Released 20 years Ago To 3 years Concurrently or Consecutively I'm not Sure Judge, That when I had 28 years To Life For the state which was the Reason you violated me, and I was in Catagory A. Violation at that time.

But however Judge in 2016 I won 2 440. motions in State Court, and 1 charged was dismissed and I was Resentenced to 23 years Flat in state Court but Release in 20 years For good Behavior. Being that 1 Charge was Dismissed on the State Case and I won the 440.s Motions, and was Resentenced in 2016 6/26/16 I the Defendant No longer fall under a Class-A

violations, it would be a class-C violation which would be a 1 To 2 year violation. The Defendant Respectfully Hope's pray to be Resentence under the class-C Violation, and Respectfully Hope and Pray that the time can Run Concurrently with the 20 years I just done for the state. I was Released 5/12/21 and the U.S. Marshall picked me up. Its been a very Long Time Judge I am 52 years old. Im no longer the young misguided kid. My Mother is 80 years old I need to help take care of her, and my Wife and Kids. The Defendant Hope, and pray for Some Type of Relief.

Respectfully Submitted

Anthony Buchanan.
